

**Calhoun County Groundwater Conservation District  
Notice of Proposed Permit Issuance**

Notice is hereby given in accordance with Rule 12.2: NOTICE AND SCHEDULING RELATED TO HEARINGS AND PROPOSED PERMIT ISSUANCE of the Rules of the District that the Calhoun County Groundwater Conservation District proposes to issue a production permit authorizing the production of groundwater from a water well for non-exempt uses on March 15, 2024.

Mr. Brad Ryan for Port Alto Investments seeks, under permitting request case PRC-20230921-03, a standard-capacity non-historic-use production permit authorizing the production of groundwater from a grandfathered well for boat storage and boat wash uses at rates not to exceed 15 gallons per minute or 1.1 acre-feet per year. The subject well is located on a 2.2-acre tract of land near the intersection of Spur 159 and Port Street near the Community of Port Alto, Calhoun County, Texas.

Any person who intends to contest a permit application must provide written notice of that intent to the District at 131-A N. Virginia St., Port Lavaca, Texas 77979 at least three calendar days prior to the proposed date of permit issuance as published in this public notice.
