

June 10, 2022

Mr. Tim Andruss  
General Manager  
Calhoun County Groundwater Conservation District  
P.O. Box 1395  
Port Lavaca, TX 77979

Dear Mr. Andruss:

The purpose of this letter is to notify you that the groundwater management plan for the Calhoun County Groundwater Conservation District required by Texas Water Code § 36.1072 is administratively complete in accordance with Texas Water Code § 36.1071(a) and (e). The policies, plans, and opinions in the groundwater management plan represent those of the District not those of the Texas Water Development Board.

We received the groundwater management plan for administrative completeness review on May 16, 2022, and it was approved on June 10, 2022. Included with this letter is your District Groundwater Management Plan Certificate of Administrative Completeness.

Thank you for participating in this effort and contributing to the future of groundwater conservation and management in the state of Texas. Your next five-year management plan is due on June 10, 2027.

If you have any questions or concerns, please contact Stephen Allen of our Groundwater Technical Assistance Department at 512-463-7317 or [stephen.allen@twdb.texas.gov](mailto:stephen.allen@twdb.texas.gov).

Sincerely,

Jeff Walker  
Executive Administrator
